

**KXF SERIES****105°C Low profile, Snap-in Terminal Type****◆ FEATURES**

- Load Life : 105°C 3000 hours, with 20mm height.
- Smaller size with higher ripple current endurance than AXF series.
- RoHS compliance.

**◆ SPECIFICATIONS**

| Items                          | Characteristics  |           |           |                    |                                   |                    |  |                 |                                    |
|--------------------------------|--|-----------|-----------|--------------------|-----------------------------------|--------------------|--|-----------------|------------------------------------|
